

SchoolConstructionNEWS design+construction+operations

Editorial Submissions

School Construction News often features articles written by industry experts. All feature articles should be exclusive to School Construction News, however we will reprint some features on a case-by-case basis. We especially appreciate articles that identify and respond to trends, report industry news or outline case histories that can help facility managers cope with a changing environment and improve day-to-day operations. Please note whether you would like the article considered for web or print.

Suggested Length

1,000-1,200 words (for print consideration)

600-800 words (for web consideration)

Photos/Graphics

Photos and other visual elements are required with submitted articles, for both print and web. Files should be submitted on disk or via email in a .JPEG, .EPS or .TIFF format, and as a separate attachment from the editorial document. All photos must be at least 300 DPI in resolution, at least 1MB and 800 X 445 pixels/inch. Please specify who should receive a photo credit for the image and a caption, if desired.

Submission Guidelines

We prefer to receive documents via email as a .doc file. Be sure to include complete contact information with your submission. For large files, we accept links to Dropbox or other online file-sharing sites.
